Background Information/Narrative 1-23

Chapter Three – Important Park Information 1-25

- Park Fast Facts 1-27
- Visitor Services 1-29
- Park Activities 1-31
- Park Facilities 1-35
- User Fees 1-36
- Commercial Users 1-37
- Acadia National Park Regulations 1-39

Section Two – Park Sites

Chapter Four – Visitor Center 2-1

- Before You Go – Visitor Center Logistics 2-3
- At a Glance 2-6

Chapter Five – Park Loop Road (Visitor Center to Sieur de Monts Spring) 2-7

- Before You Go – Park Loop Road (Visitor Center to Sieur de Monts Spring) Logistics 2-9
- At a Glance 2-11
- Background Information/Narrative 2-13

Chapter Six – Sieur de Monts Spring 2-19

Before You Go – Sieur de Monts Spring Logistics 2-21

At a Glance 2-25

Background Information/Narrative 2-27

Chapter Seven – Park Loop Road (Sieur de Monts Spring to Jordan Pond) 2-29

Before You Go – Park Loop Road Logistics 2-31

At a Glance 2-34

Background Information/Narrative – Sieur de Monts Spring to Sand Beach;

Sand Beach to Otter Point; Otter Point to Jordan Pond 2-37

Chapter Eight – Jordan Pond 2-51

Before You Go – Jordan Pond Logistics 2-53

At a Glance 2-56

Background Information/Narrative 2-58

**Chapter Nine – Park Loop Road (Jordan Pond to Cadillac Mountain Road)
(Lower Mountain Road) 2-63**

Before You Go – Lower Mountain Road Logistics 2-65

At a Glance 2-67

Background Information/Narrative 2-69

Chapter Ten – Cadillac Mountain Road and Summit 2-73

Before You Go – Cadillac Mountain Logistics 2-75

At a Glance 2-77

Background Information/Narrative – Cadillac Mountain Road 2-79

Background Information/Narrative – Cadillac Mountain Summit 2-81

Chapter Eleven – Park Sites on State Route 233 and State Route 198 2-85

Before You Go 2-87

At a Glance 2-89

Background Information/Narrative 2-90

Chapter Twelve – Islesford Historical Museum 2-93

Before You Go – Islesford Historical Museum Logistics 2-95

At a Glance 2-97

Background Information/Narrative 2-98

Chapter Thirteen – Acadia’s Western Side 2-101

Before You Go – Acadia’s West Side Logistics 2-103

At a Glance 2-106

Background Information/Narrative 2-108

Section Three – Fact Sheets and Field Guides

Chapter Fourteen – Wildlife 3-1

Wildlife 3-3

Keeping Wildlife Wild 3-6

Wildlife Research 3-8

Mammals

Beaver 3-11

Eastern Coyote 3-13

Harbor Seal 3-15

Raccoon 3-17

Red Fox 3-19

Red Squirrel 3-21

White-tailed Deer 3-23

Birds

Bald Eagles 3-24

Peregrine Falcons 3-25

Raptor Migration and Hawk Watch 3-29

Common Loon 3-31

Seabirds 3-32

Amphibians, Reptiles, Fish

Amphibians 3-34

Acadia’s Common Reptiles 3-37

Acadia’s Fishery 3-39

Chapter Fifteen – Plants 3-41

Plant Groups of Acadia National Park 3-43

Caring for Acadia’s Native Plants 3-47

Acadia’s Common Plants 3-50

Chapter Sixteen – Land Formations 3-61

Geographic Features 3-63

Geology 3-66

Chapter Seventeen – Intertidal Zone 3-69

Life Between the Tides 3-71

Suggestion for a Low Impact Visit to the Shore 3-76

Common Intertidal Animals 3-77

Common Intertidal Plants 3-79

Chapter Eighteen – Resource Management 3-81

Protecting Park Resources 3-83

Downeast and Downwind – Air Quality 3-85

Water Quality 3-88

Fire Management 3-91

Lands 3-94

Acadia's Outer Islands 3-96

Visitor Use 3-98

Curatorial Management 3-100

Other Important Resource Management Responsibilities 3-102

Chapter Nineteen – Cultural History 3-103

Park History 3-105

Carriage Roads of Acadia National Park 3-108

Acadia's Historic Trails 3-111

Fire of 1947 3-113
